HARLEN SUPPLIES
QUARRYING | MINING | CONSTRUCTION

Oils, Lubricants & Grease

Proper lubrication can extend the life of heavy machinery by up to 50% — a crucial factor in the demanding environments of quarrying, mining, and construction. At Harlen Supplies, we specialise in high-performance oils, greases, and lubricants that reduce wear, boost efficiency, improve safety, and even help cut fuel consumption. Our extensive range covers everything from standard industrial oils to custom-engineered solutions, all designed to lower operational costs and keep your equipment running at peak performance.

INDUSTRIAL LUBRICATION SOLUTIONS BUILT FOR TOUGH ENVIRONMENTS

Applications You Can Rely On:

- **Mining Equipment:** Formulated to safeguard heavy-duty machinery operating under intense pressure, high loads, and extreme temperatures.
- **Quarrying Machinery:** Designed to minimise wear and reduce unplanned stops in dusty, abrasive conditions typical of quarry sites.
- **Construction Equipment:** Optimises performance and reliability across a wide range of mobile and stationary machinery on demanding job sites.

Key Benefits?

- **Longer Equipment Life:** Protects critical components, reducing wear and extending operational lifespan.
- **Better Performance, Less Downtime:** Delivers smooth, efficient operation — keeping your equipment running longer between service intervals.
- **Extreme Condition Protection:** Maintains performance under heavy loads, high temperatures, and harsh environments.
- **Energy and Fuel Efficiency:** Reduces internal friction, contributing to lower fuel use and improved energy output.
- **Lower Maintenance Costs:** Fewer breakdowns, longer intervals between servicing, and less unexpected downtime.

Harlen Supplies offers a comprehensive selection of:

- **Premium Oils** – Available in various grades for engines, hydraulics, transmissions, and more.
- **Heavy-Duty Greases** – Engineered for high-load, high-impact applications.
- **Specialty Lubricants** – Custom-formulated to meet the specific demands of your working environment.
